Director

Bill Yates, PhD
Co-Director, RCCO

The Research Conduct and Compliance Office faculty and staff of the University will oversee and facilitate the conduct of ethical and regulation-compliant human and animal subject research through an integrated system of research review, audit and educational programs established in a manner that maximizes institutional effectiveness.

Note that the Committee Chairs report directly to the Institutional Official. The Office Directors report to the Institutional Official through the Co-Directors of the RCCO.

Kelly Dornin-Koss, MPPM
Co-Director, RCCO
